Circular No. 13/2024-25

Grading and CNN Compliance status of the RSETIs for FY 2023-24 as on 31.03.2024

To

The CEOs of SRLM offices of all States/UTs, GMs of all RSETI Sponsoring Banks,
Directors of all RSETIs/RUDSETIs, SDRs and SCRs of various states

Dear Sir/Madam,

1. As permitted by MoRD, vide letter No. J-18046/02/2022DDU-GKY-(E-379920) dated 23.04.2024, the Grading of RSETIs for the Financial Year 2023-24 was initiated on 20.06.2023 and concluded on 22.07.2024. As per MIS, there are 592 RSETIs as on 31.03.2024. Out of which 4 RSETIs opened during the year 2023-24 are exempted for Grading (less than 1 year old as on 31.03.2024). Hence, the Grading and CNN certification process was conducted for 588 RSETIs.
2. NACER has utilized the services of 16 SDRs, and 96 experienced RSETI Directors deputed by the various RSETI sponsored Banks as Grading Officers, who led the grading team in the process of grading for FY 2023-24. The other Members in the Grading Teams are (1) DPM of the DMMU of the district, (2) LDM of the District, and (3) the Director of the concerned RSETI. With the cooperation from all the stakeholders, and guidance from MoRD, the grading process of RSETIs for FY 2023-24 has been conducted smoothly and completed as per the schedule.
3. Representation received by some of the RSETIs/Nodal Banks disputing the marks awarded by the grading teams were analyzed and based on the SOP guidelines along with the supporting records, the marks allotted were revisited and the issues have been resolved.
4. The Grades secured and CNN status as finalized above were submitted to MoRD for approval. The final Grades and CNN status as approved by MoRD vide letter No F.No. J18046/02/2022DDU-GKY(E-379920) dated 18th Oct 2024 are furnished in the annexures marked as V and IX to this letter.
5. The summary of Grades secured and CNN compliance status of the RSETIs in the grading process of FY 2023-24 as on 31.03.2024 are under:

SL No.	Grades	No. of RSETIs/RUDSETIs	SI No.	CNN Status	No. of RSETIs/RUDSETIs
1	Grade AA	560	1	CNN Complied	577
2	Grade AB, BA & BB	23			
3	Grade BC & CC	3	2	CNN non-complied	11
4	Grade BD & DC	2			
	Total	588			588

2....

6. The RSETIs graded “C & below” are advised to identify the lacune resulted in getting lower grades and focus on the same to bring improvement for getting “B & above grades” during FY 2024-25. Similarly, the RSETIs who are in CNN non-complied category are advised to identify the parameters which are rated as non-complied and take corrective measures with immediate effect to secure “CNN compliance” status during FY 2024-25. The concerned SDRs (under whose jurisdiction the RSETIs secured “C & below” grades and “CNN non-compliant” Status fall), are requested to provide handholding and guidance to the RSETI to improve their Grading/CNN status for FY 2024-25. The Nodal executives of the sponsored Banks of these RSETIs(having secured “C & below” grades and “CNN non-compliant” RSETIs) are also requested to regularly review the RSETIs & extend support by providing the required infrastructure viz., training equipment, deployment of staff, providing second AEBAS system, etc., to enable the RSETIs to upgrade their Grading/CNN status during FY 2024-25.

Subject: Approval of Grading and CNN Certifications of RSETIs for FY 2023-24 – reg.
Sir,

I am directed to refer to your letter Ref No. 2317/NACER/2024-25/F-32/BIN dated 23.09.2024 on the subject cited above and to convey the approval of the 'Competent Authority' of the grading awarded to eligible Rural Self Employment Training Institutes (RSETIs) based on the prescribed parameters for the year 2023-24. The details are enclosed in **Annexure-I**.

2. It is also noted that during the grading process, the grading team also verified Common Norms Notification (CNN) compliance as on 31.03.2024 by various RSETIs and it was found that all RSETIs except 11 RSETIs listed at Anneure-II are CNN compliant. However, certification could not be undertaken for 4 RSETIs as they were not eligible for grading being less than one year old as on 31.03.2024.

3. It is requested that the grading awarded to the RSETIs and their CNN compliance status may be brought to the notice of all concerned. It is also requested that corrective measures be taken so that the RSETIs that have been graded "C" and below for 2023-24 and those yet to comply with one or more parameters of CNN may improve themselves up to the prescribed benchmarks before the next grading exercise for the year 2024-25 is started.

4. In order to improve the performance of these RSETIs and ensure compliance with prescribed norms, regular handholding may be provided by State Directors for RSETIs (SDRs) and support be intensified by encouraging direct interaction between RSETI Directors and relevant stakeholders at the district level. A review of the RSETIs, which have obtained Grade "C" and below and which are yet to become CNN compliant may also be done by the controlling offices of the sponsor Banks.

This issues with the approval of the 'Competent Authority'.

Encls. as above

Yours sincerely,

(Mary Thomas)

Under Secretary to the Government of India
