All SRLMs & UTRLM

Sub - Establishment of 550 Community Managed Training Centers (CMTCs) managed by model CLFs under DAY-NRLM program by Ministry of Rural Development Govt of India.

Madam/Sir,

As you are aware, DAY-NRLM have been implementing Model CLF strategy across the country to create "Proof of concept on promotion of member owned, member managed, member controlled and financially sustainable SHG federations" and develop social capital for replication of the strategy in the remaining blocks. To achieve this goal, the Mission envisages establishing at least one CMTC per district managed by one of the Model CLFs in the district, so that it would cater to the capacity building needs of all the CLFs in the district.

It is also envisioned that the Model CLFs will manage "Training Centers" for imparting trainings and capacity buildings events for its members and other stakeholders on various components of the Mission with a special focus on livelihoods. The center will also develop various demonstration sites related to livelihood interventions so that, participants get an opportunity to visualize a model which can be replicated. A well-managed CMTC would also, create an opportunity for CLFs to earn non-interest income.

Under NRETP project, DAY- NRLM has successfully established 151 Community Managed Training Centres @ one CMTC in each NRETP districts. Based on the encouraging experiences of managing CMTCs in Madhya Pradesh, Rajasthan, Bihar, Chhattisgarh, Assam, WB, Odisha, Maharashtra, Tripura etc. **MoRD has sanctioned another 550 CMTCs @ 1 CMTC per district that will be managed by selected Model CLFs under DAY-NRLM programme in the remaining districts of the country.**

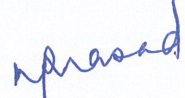

A total of Rs 46.75 Cr @Rs 8.5 lakh per CMTC has been approved to establish 550 units of CMTCs. The CMTCs will be promoted in phased manner, in first phase 300 CMTCs will be established and the remaining will be established in second phase.

An advisory for establishment of CMTCs under DAY- NRLM program including – Selection of Model CLFs where CMTCs shall be established, Infrastructure fund allocation, budget line for booking, assessment of existing infrastructure and identifying Gaps, proposed Infrastructure for CMTCs etc. is being provided through this letter as an attachment. An operational guideline for establishment of CMTCs and its operation is also attached with the letter for your reference.

All SRLMs are requested to provide a plan for establishment of CMTCs in FY 2024-25 and FY 2025-26 in provided annexure attached with this letter. It should be ensured that maximum number of CMTCs plan should be made for FY24-25 instead of FY25-26. It is also requested to follow the advisory for selection of Model CLFs where the CMTCs will be based and ensure that the new CMTCs are planned in districts where existing CMTCs either promoted under NRETP or any other funds are not there and no new CMTCs is planned in the same district.

Hence, it is requested to submit the plan for establishing CMTCs as per the guidelines to this office by 15.01.2024 .

Yours Faithfully,

(Nivedita Prasad)

Deputy Secretary to Govt of India

Annexure :

- 1. Advisory on Infrastructure Fund for CMTCs in NRLM Districts
- 2. Operational Guidelines for establishing CMTCs.
- 3. Format for submitting current status and Plan for CMTCs

-Annexure -3
