Dated: 2nd May, 2026

Shimla,

Subject:

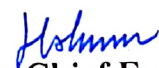

Forwarding of Minutes of the Joint meeting of Line Departments conducted under Food Nutrition Health Wash (FNHW) & Gender held on 30/01/2026 at HPSRLM HQ.

Sir,

I am directed to forward herewith minutes of the meeting held on 30th January 2026, on the subject cited above. The meeting explained the functioning of FNHW and Gender activities, convergence with the departments involved in the activities related and shared updates on the progress achieved so far.

All are requested to necessary action as per the minutes attached.

Yours faithfully,

Deputy Chief Executive Officer
H.P State Rural Livelihood Mission
Rural Development Department, Shimla H.P
Telephone No. 0177-2629900, 2626400

**Minutes of the Joint Meeting of Line Departments under Food, Nutrition,
Health & WASH (FNHW) and Gender held on dated 30/01/2026 at HPSRLM
Headquarters**

The joint meeting of Line Departments under Food, Nutrition, Health & WASH (FNHW) and Gender was held on 30th January 2026 at HPSRLM Headquarters.

- The meeting commenced with a warm welcome to all the representatives of the Line Departments by the Deputy CEO, HPSRLM.
- Thereafter, a detailed presentation was made by the SPM- Social Development, starting with an overview of the NRLM first. Then the presentation explained the functioning of FNHW and Gender and shared updates on the progress achieved so far.
- The SPM- SD also outlined the expectations from the Line Departments for effective convergence and coordinated implementation under the FNHW and Gender thematic areas.

Key Points Discussed

1. During the discussion with the Line Departments, it was proposed to constitute a Core Committee at the State Level under Food, Nutrition, Health & WASH (FNHW) and Gender to strengthen coordination and convergence.
2. It was observed that, due to the introduction of pre-primary schools, Anganwadi Centres have been adversely affected. The **Education department** sought support in reaching out to families and creating awareness about the various benefits and schemes available under Anganwadi.
3. The **Department of Health-NHM, WCD** requested support from CRP-HNGs in mobilizing communities for gatherings, programmes, and events organized by the department, as mobilizing adequate participation remains a major challenge for the Line Departments.
4. It was discussed that dedicated cadres are required to function as **TB Champions** to facilitate wider dissemination of information on tuberculosis. It was also noted that the TB Champion cadre is linked with a good incentive, which may encourage greater participation.
5. The concerned departments are requested to issue formal instructions to their respective field functionaries at all levels, directing them to actively coordinate and collaborate with the HPSRLM cadre and Block-level staff. This coordination should be aligned with the identified Focused Nutrition, Health, and WASH (FNHW) intervention areas, ensuring convergence of efforts, optimal resource utilization, and effective implementation of activities at the grassroots level.
6. The meeting concluded with a vote of thanks by the Dy. CEO, HPSRLM and the SPM, HPSRLM. It was also proposed that the next meeting be held in the forthcoming quarter.
